RISERS, COLUMNS AND BASES

Hause Machines fabricates standard and special risers, weldment risers, vertical columns and machine bases. Our standard risers and columns vary in size and shape for use with our Holomatic® units. Specially fabricated risers and columns are also manufactured for use with Holomatic® units, powered slides or other components, and are engineered for the optimum in rigidity and quality. Some standard machine bases are available in sizes of 24" X 24", 13" X 48", 13" X 72", 44" round and 56" round on full cabinet with 1" keyways. Specially designed bases are quoted on a per application basis.
